Subject: [airmonitoring] Final PM Policy Assessment
Date: 04/26/2011 12:04 PM

OAQPS PM NAAQS Team Members and others interested in the PM NAAQS review:

On 4/19/2011, OAQPS released the *Policy Assessment for the Review of the Particulate Matter National Ambient Air Quality Standards* (PA). This document reflects consideration of CASAC and public comments on the second draft PA (June 2010) as well as WG comments on a final draft document (Nov 2010).

The final PA is available on-line at:

http://www.epa.gov/ttn/naaqs/standards/pm/s_pm_2007_pa.html

Staff memos which present technical analyses discussed in the PA are available on-line at:

http://www.epa.gov/ttn/naaqs/standards/pm/s_pm_2007_td.html

The final PM PA represents a true team effort! Many staff have worked to create the final document released. THANK YOU for your hard work and dedication to this important project!

Please feel free to call me if you have any questions on the final PM PA.

Again, thanks to all that contributed to the final PM PA!
